

SIMPLIFIED WORKFLOW

Create an optimal digital workflow with
Your practice and laboratory

Join **Dr. Jonathan Ferencz** as he discusses the advantages of adopting a digital workflow using the most advanced digital dental technologies.

Learn to improve your efficiency, reduce chair-time, increase accuracy, and most importantly, dramatically improve your patient's experience.

TOPICS COVERED

- Intra-oral scanning for the restoration of teeth
- Optimizing tooth preparation and gingival retraction
- Model scanning for complex treatments
- Partnering with your lab to eliminate remakes and improve quality
- Digital techniques to plan and restore implants
- Navigating the choice of CAD/CAM dental materials

The federal government imposes certain restrictions on, and pursuant to the Sunshine Act requires public reporting of, transfers of value to a practitioner. This includes educational programs to the extent that less than a fair market value for such program is paid. Your Henry Schein representative can advise you of the reportable amount.

HENRY SCHEIN®

Henry Schein, Inc. • 135 Duryea Road • Melville, NY 11747

3Shape is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing dental education programs of this program provider are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry. 1/1/2015 to 12/31/2018. Provider ID #356855
